

AFFORDABLE RENTAL HOUSING A.C.T.I.O.N. A Call To Invest in Our Neighborhoods

July 22, 2021

The Honorable Nancy Pelosi
Speaker
U.S. House of Representatives
Washington, DC 20515

The Honorable Chuck Schumer
Majority Leader
U.S. Senate
Washington, DC 20510

The Honorable Kevin McCarthy
Minority Leader
U.S. House of Representatives
Washington, DC 20515

The Honorable Mitch McConnell
Minority Leader
U.S. Senate
Washington, DC 20510

Dear Speaker Pelosi and Leaders Schumer, McConnell, and McCarthy,

We, on behalf of the A Call to Invest in Our Neighbors (ACTION) Campaign, representing over 2,400 businesses and organizations at the state, local, and national level, urge you to take swift action to address our nation's ever deepening affordable housing crisis by enacting the *Affordable Housing Credit Improvement Act (AHCIA) of 2021* (S. 1136 / H.R. 2573) as part of any emerging infrastructure and economic recovery package. As bipartisan negotiations over upcoming legislation gain momentum, so does the broad bipartisan support for this proposal that would expand and improve America's most successful tool to produce affording housing, the Low-Income Housing Tax Credit (Housing Credit).

The need for affordable housing has never been more critical. Data shows that in no state, metropolitan area, or county in America can a full-time minimum-wage worker afford a modest two-bedroom rental home. Full-time workers earning minimum wage also cannot afford modest one-bedroom apartments in 93 percent of U.S. counties, according to the National Low Income Housing Coalition. In fact, there are 10.5 million renter households nationwide spending more than half their monthly income on housing. The *AHCIA*, introduced by Senators Maria Cantwell (D-WA), Todd Young (R-IN), Ron Wyden (D-OR) and Rob Portman (R-OH) and Representatives Suzan DelBene (D-WA), Jackie Walorski (R-IN), Don Beyer (D-VA), and Brad Wenstrup (R-OH), is a critical part of the solution to this nationwide crisis and has the benefit of broad, bipartisan support and consensus among the affordable housing community. Also, because the Housing Credit is a public-private partnership that is targeted at the state and local level, it can provide benefits to every state and every type of community – rural, suburban, and urban alike.

An additional 2 million affordable homes could be built or preserved nationwide if the *AHCIA* is enacted. Among other critical reforms, this legislation would expand the annual Housing Credit allocation by 50 percent over two years and lower the current 50 percent bond financing threshold to 25 percent, unlocking a more efficient use of critically needed equity to finance developments. The *AHCIA* also makes important improvements to streamline the Housing Credit program and provides additional basis boosts to further encourage crucial developments that serve extremely low-income tenants, and hard-to-reach communities, including rural, tribal, and high-cost areas.

Individuals and families living in every state and district nationwide are experiencing an affordable housing crunch that is impacting economic development, employment opportunities, quality of life, and access to the American dream. The enactment of these crucial reforms is a key part of the solution and that is why we urge your support of this legislation by including it in any tax related

legislative vehicle that is moving forward. For over three decades, the Housing Credit has been a proven tool with bipartisan backing that has helped millions of seniors, veterans, working families, and persons experiencing homelessness access affordable housing. Since its creation in the 1986 Tax Reform Act, the Housing Credit has financed nearly 3.5 million affordable rental homes and helped over 8 million low-income households, all through leveraging a model public-private partnership that is market based and administered at the state and local level.

The ACTION Campaign urges your support for this essential, bipartisan legislation and its inclusion in any infrastructure, economic recovery, or tax legislation moving toward enactment as quickly as possible. For more information on the proposal, please contact the offices of the *AHCIA* co-leads: Senators Cantwell and Young, and Representatives DelBene and Walorski. For questions about this letter or the ACTION Campaign, please contact Jennifer Schwartz at jschwartz@ncsha.org or Ayrienne Parks at aparks@enterprisecommunity.org. Thank you for your consideration and support of affordable housing.

Sincerely,

ACTION Campaign Co-Chairs & Steering Committee Members

About the ACTION Campaign

The A Call To Invest in Our Neighborhoods (ACTION) Campaign is a national, grassroots coalition dedicated to educating members of Congress and their staff, the Administration, and other key stakeholders about the essential role the Housing Credit plays in the production and preservation of affordable housing, and the importance of that housing to low-income families and individuals.
